Dear Mr. Weisberg,

Please send me one copy of "Frame-Up." I have already read "Case Open" which made me interested in your work. Will you be giving us any more books? If so, please keep me advised. What is your opinion of such authors as David Lifton, Harrison Livingstone, Gaeton Fonzi, Mark Lane, Robert Groden, etc! Also, Beverly Oliver has a new book, "Nightmare in Dallas"! What is your opinion and would it be good to read. Do you know where I can get a

copy of "Accessories after the Fact"! Again, so many thanks!
